Welcome to the Ursuline College Dining Services! Aladdin Food Service Management Services, LLC handles the food service needs of the College. This service includes the operation of the Daley Dining Hall, The 1871 Grille, and the catering operations, which service the College and the community. The Daley Dining Hall lunch and dinner menu is an all-you-care-to-eat program consisting of two hot entree items, vegetables, soups, salad bar, and delicious homemade dessert. The 1871 Grille, operating in the first floor lobby of the Pilka Learning Center, offers a full breakfast menu each morning including Starbucks Coffee. The Lunch menu consists of soups de jour, hamburgers, wraps, pizza, and an extensive selection of grab-n-go items for those on the run. The 1871 Grille is only open while college is in session.

We welcome the Ursuline College community as well as their friends and family to purchase a meal (the prices are very reasonable) and sample our delicious food, which ranges from “traditional” home-style cooking and comfort foods to innovative trends spotlighted in our buffets and specialty bars.

• Student Involvement
The Residence Hall Council Food Committee assists the Dining Service in the task of planning and evaluating services. If you have ideas about the Daley Dining Hall, The 1871 Grille, meal options, quality or service, you may contact a food committee member, write a note on our Opinion Please card and drop it in our suggestion box, or speak to one of our dining service managers at any time.

• 19 • 15 • 10 • Meal Plans
These plans provide a weekly amount of meals during the academic year. You may increase the total amount by making a deposit into an Auxiliary Point Plan. Meals in the Daley Dining Hall are all-you-care-to-eat and each plan provides nutritional healthy choices and a variety of delectable dishes. A meal card can only be used once per meal, there are no guest passes, and no unused meals will be carried over to the following week. The 1871 Grille, an alternative to the Daley Dining Hall, has both daily meal equivalency specials and à la carte options that count toward your weekly meals. Additional items can also be purchased from the menu with Auxiliary Points.

• Box-N-Go Meals
Box-N-Go Meal is an alternative that students may elect if their class schedule/work schedule is in conflict with the dining hours in Daley Dining Hall. The Box-N-Go Meal option is only for students who cannot eat at Daley Dining Hall or 1871 Grille due to class scheduling, job requirements, not on campus during the meal hours or are attending a college sponsored function out of town.

• Special Needs
Students with special dietary needs should consult with the Food Service Director. All efforts will be made to meet the special needs of the student. A student who is ill and unable to come to the Daley Dining Hall for meals, may have a friend pick up a sick tray for them at the Dining Hall. A note from their Residence Life Coordinator and their Student I.D. Card are required. If a required school activity prohibits you from attending a meal(s), we will pack a meal(s) for you. Please have your department head or coach request your needs two days in advance with the Food Service Director. ID will be needed when an order is placed.
